HOSPITAL UNIVERSITARIO MARQUÉS DE VALDECILLA

El **Hospital Universitario Marqués de Valdecilla de Santander** se convierte en 2015 en uno de los centros sanitarios más modernos en instalaciones y equipamientos, gracias a la conclusión de las obras del edificio de las Tres Torres. El resultado es un complejo de 86.700 metros cuadrados de superficie dividido en tres torres de hospitalización de doce plantas cada una. El proyecto en su conjunto está valorado en 759 millones de euros.

La superficie construida albergará la hospitalización de las especialidades de Cirugía General, Cardiovascular, Torácica, Neurocirugía y Pediátrica, Cardiología, Medicina Interna, Ginecología y Obstetricia y Pediatría.

Bathco ha sido la empresa encargada de equipar las habitaciones y zonas comunes de aseo del Nuevo Hospital Universitario Marqués de Valdecilla. Se han instalado un total de **518 inodoros** (modelo Nuevo Formentera) y **573 lavabos** (modelo California).

In 2015 finishes the construction of the building Three Towers and the **Marqués de Valdecilla University Hospital** becomes one of the most advanced health centres in matter of facilities and equipment. The result is a new complex of 86,700 square meters with three 12-floor towers of hospitalization. The whole project is valued at 759 million euros.

In the total floor area the patients will be attended in specialties of General Surgery, Cardiovascular and Thoracic Surgery, Neurosurgery, Pediatrics, Cardiology, Internal Medicine, Gynecology and Obstetrics.

Bathco is the company which equipped the bathrooms of the patient rooms and bathrooms for visitors in the new Marqués de Valdecilla University Hospital. A total of **518 toilets** (model New Formentera) and **573 washbasins** (California model) have been installed.

PARALELO AL MAR - SUSANNA COTS

La interiorista **Susanna Cots** (Solsona, 1977), hace diez años que diseña espacios y todo aquello que sea susceptible de ser diseñado. Gracias a su sencillez y constancia, se ha hecho un lugar en el mundo del diseño. En la actualidad, dirige un estudio de diseño de interiores que lleva su nombre, formado por un equipo de creativos relacionados con diferentes campos del mundo del diseño. Sus proyectos abrazan tanto el ámbito comercial como el privado.

Su trabajo ha sido reconocido a través de publicaciones de ámbito nacional e internacional. Ha participado en diferentes concursos y premios como el ICFF New York, los Premios FAD de Barcelona, Porcelanosa Interiores, SBID Excellence Awards en Londres o los Top IDEA Awards en China.

Su proyecto **Paralelo al mar** – Vivienda en Llavaneres - fue galardonado con el **Shortlisted SBID International en 2012**. Un espacio donde las líneas imaginarias con el mar se hacen reales.

Este proyecto de interiorismo ha sido trabajado con el mar como eje esencial para la distribución de la vivienda, la iluminación y los colores. El blanco predominante da una personalidad que atrae el orden y se complementa con el color visón. El diseño busca el mar, desde cualquier punto de la vivienda, para que entre la naturaleza en estado puro.

PARALLEL SEA - SUSANNA COTS

The interior designer **Susanna Cots** (Solsona, 1977) has been designing spaces and everything that is possible to design for more than ten years. Thanks to her simplicity and perseverance she has become a reference in the design world. Currently, she manages an interior design studio of her name, formed by a team of creative professionals related to different fields of the design world. Her projects embrace both commercial and private sector.

Her work was recognized by many national and international publications and she participated in different competitions as ICFF New York, Barcelona FAD Awards, Porcelanosa Interiors, SBID Excellence Awards in London or Top IDEA Awards in China.

Her project **Parallel sea** - House in Llavaneres was awarded by the **Shortlisted SBID International in 2012**. The Parallel sea is a space where the imaginary lines of the sea become real.

The central axis of this interior design project is the sea that inspires the space distribution, lighting and colours. The predominant white gives a personality that attracts the order and is complemented with wood. The design is oriented to look for the sea from any point of the house welcoming the pure nature inside.

NUEVO ESTADIO SAN MAMÉS

El **estadio del Athletic Club de Bilbao**, equipo de fútbol de la ciudad de Bilbao, tiene capacidad para 53.562 espectadores.

Inaugurado en su primera fase de **construcción en 2013**, es el sucesor de “La Catedral” el Antiguo San Mamés. El estadio es utilizado principalmente por el Atlhetic Club para la práctica de fútbol, si bien tendrá otros usos complementarios en los que se incluye un centro de innovación deportiva y otro de medicina deportiva, una pista de atletismo subterránea y un polideportivo municipal. Además, será utilizado como recinto para conciertos de gran envergadura, al igual que su antecesor.

Cuenta con rango de estadio de categoría 4, el máximo otorgado por la **UEFA**.

SAN MAMES NEW STADIUM

The **stadium of the FC Athletic Club Bilbao**, the football team of the city of Bilbao, has capacity for 53,562 spectators.

Officially opened in its first phase of **construction in 2013**, this stadium is the successor of the called “La Catedral” stadium, the Old San Mames. The stadium is used primarily by the Athletic club for training but includes also other complementary uses as a center for sports innovation and sports medicine, a subterranean running track and a municipal sports center. It is also planned to use it for big concerts as well as the previous one.

This stadium has the category level 4, the maximum level of **UEFA**
